### The Weather.

FOR KENTUCKY—Partly cloudy  
and continued warm Tuesday.

George Essex, of Hardin county,  
Ky., has set the paragraphs to  
saying some entirely original things  
by marrying his mother-in-law.

A couple of Kansas City, admirers  
of the Longworths, have named  
their twins Alice and Nick.

Miss Margaret Frey, of Denver,  
Colorado, has been awarded the hon-  
or of being the most beautiful wo-  
man in America. She is 19 years  
old and a blond of the purest type.

The campaign next year will be  
pitched upon three great issues—  
Trusts, Tariff and Transportation.  
Mr. Bryan says they all stand for  
one idea, viz: Whether the govern-  
ment shall be administered in the  
interest of a few favorites or in be-  
half of the whole people.

There is more Catarrh in this sec-  
tion of the country than all other  
diseases put together, and until the  
last few years was supposed to be  
incurable. For a great many years  
doctors pronounced it a local disease  
and prescribed local remedies, and  
by constant failing to cure with local  
treatment pronounced it incurable.  
Science has proven catarrh a consti-  
tutional disease and therefore re-  
quires constitutional treatment.  
Hall's Catarrh Cure, manufactured  
by F. J. Cheney & Co., Toledo, Ohio,  
is the only constitutional cure on the  
market. It is taken internally and  
in doses from 10 drops to a teaspoon-  
ful. It acts directly on the blood  
and mucus surfaces of the system.  
They offer one hundred dollars for  
any case it fails to cure. Send for  
circulars and testimonials.  
Address F. J. Cheney & Co., Toledo,  
Ohio.

Sold by Druggists, 75c.  
Take Hall's Family Pills for con-  
stipation.

## General Debility

Day in and day out there is that feeling  
of weakness that makes a burden of itself.  
Food does not strengthen.  
Sleep does not refresh.  
It is hard to do, hard to bear, what  
should be easy,—vitality is on the ebb, and  
the whole system suffers.  
For this condition take

### Hood's Sarsaparilla

It vitalizes the blood and gives vigor and  
tone to all the organs and functions.  
In usual liquid form or in chocolate  
tablets known as Sarsatabs. 100 doses \$1.

When Judge Henry B. Hines was  
selected to act as chairman of the  
State Campaign Committee a splen-  
did day's work for Democracy was  
performed. In no political contest  
where he has engaged has he ever  
failed to secure every vote possible  
and this year will prove no excep-  
tion. One secret of the success  
which has attended Judge Hines is  
the fact that he is as true to his  
friends as is the proverbial needle to  
the pole, and possessing unbounded  
energy he begins a fight from the  
start and never relaxes his efforts.  
With a splendid ticket to aid him he  
will win a great victory this fall and  
demonstrate Executive management  
to which a limited few can lay claim.

The inquiry conducted by Judge  
Landis at Chicago into the standing  
and financial resources of the Stand-  
ard Oil Company commenced and  
was finished Saturday inside of two  
hours. The evidence was taken des-  
pite the strenuous objections of the  
attorneys. The chief witness was  
John D. Rockefeller, president of  
the Standard Oil Company of New  
Jersey. Very little information was  
derived from him. He declared he  
had not been in active business for  
twelve years, and said he had not  
been in the offices of the Standard  
Oil Company for eight years.

G. T. Wyatt was nominated as the  
Democratic candidate for the State  
Senate in the districts composed of  
Todd, Simpson and Logan counties,  
at a district convention in South  
Union. Simpson county was not  
represented. C. C. Pare was a can-  
didate and the nomination of Wyatt  
seems to have been in defiance of  
party authority. The committee  
rescinded the first call and was pre-  
paring to order a different settle-  
ment of the contest that had devel-  
oped but two counties refused to  
accept the change.

Brian Hooker, a young writer  
whose work has already begun to at-  
tract some attention, is the author  
of the novelette which opens in the  
July Smart Set. His story is enti-  
tled "Steel" and deals in quite an  
original way with a love affair on  
ship-board. A situation of great  
power is revealed at the outset and  
the unusual method with which the  
author carries his story along keeps  
the unflagging interest of the read-  
er.

The Hopkinsville Kentuckian says:  
"Madisonville is to have the third  
bank to be called the Savings Bank."  
Wake up, Bro. Meacham. Madison-  
ville has had three banks for the  
past six years and now has five,  
namely: Morton's Bank, Hopkins  
Co. Bank, The Kentucky Bank &  
Trust Co., Morton's National Bank  
and The Farmer's National Bank  
and the articles of incorporation are  
now being prepared for the Savings  
Bank you speak of.—Madisonville

That a hen-pecked man may die  
was demonstrated at Anderson, Ind.,  
when Joseph B. Bryan, aged 59  
years, a retired building contractor,  
died in great agony from blood  
poisoning that developed at a point  
in his scalp, where a hen had pecked  
him so fiercely that blood had flowed.  
Bryan had undertaken to lift the  
hen from her nest when she attack-  
ed him. Despite his efforts at de-  
fense she flew upon his head and  
sank her bill into his scalp.

In an altercation on the street at  
Lexington, Saturday, ex-Senator C.  
J. Bronston fired four shots at W.  
R. Milward, Sr. One was stopped  
by keys in the latter's pocket, while  
the others went wild. The arrest of  
both men followed. The trouble  
arose it is said, over recent domestic  
troubles of Bronston. His wife, who  
was Miss Belle Wisdom, of Paducah,  
recently left him.

### How to Cure Chilblains.

"To enjoy freedom from chil-  
blains," writes John Kemp, East Otis-  
field, Me., "I apply Bucklen's Arnica  
Salve. Have also used it for salt  
rheum with excellent results." Guaranteed to cure fever sores,  
indolent ulcers, piles, burns, wounds,

Warrenton he was in the same busi-

is a competent and industrious  
young man and there is no doubt  
that he will "make good" with the  
large concern in which he may be  
found.

overseer of the poor, at Fort Madi-  
son, Ia. says: "Dr. King's New Life  
Pills, are rightly named; they act  
more agreeably, do more good and  
make one feel better than any other  
laxative." Guaranteed to cure bil-  
iousness and constipation. 25c at

## HORRIBLE DEATH OF A FARMER

Esley Quine, of Lafayette,  
Sustains Fatal Injuries  
By A Fall.

### HE WAS HAULING HAY

Team Ran Off And Victim's  
Neck Was Broken And  
Skull Crushed.

Mr. J. Esley Quine, a farmer of  
near Lafayette, was instantly killed  
about 5 o'clock Friday afternoon, his  
neck being broken and his skull  
crushed.

The fatal accident occurred on the  
farm of Mr. J. W. McClain, one mile  
north of Lafayette.

Mr. Quine and Mr. McClain were  
hauling hay, a little grandson of the  
latter being on the loaded wagon  
with Mr. Quine. The team of mules  
became frightened at some object  
and started to run.

Mr. Quine gathered the lines, but  
seeing that he and the child would  
fall, he threw the boy off and the  
little fellow escaped with a few  
bruises. Mr. Quine, however, fell  
between the mules and was killed  
as above stated.

The victim of the accident was  
forty-three years old and a man liked  
by everyone who knew him. He  
had been engaged in farming for  
several years and moved to Lafay-  
ette from the Julien neighborhood  
some years ago.

He leaves a widow and two small  
children.

### AGED NEGRO

Dies While Sitting in His  
Door Way.

Jo Buckner, col., aged about sixty  
years, was found dead at his home  
near Cates' mill. When members of  
the family retired, Buckner was sit-  
ting in the door. Later an attempt  
was made to arouse him and it was  
found that he had expired. He had  
been complaining of pains in his  
head for several days. The coroner  
held an inquest Sunday and the ver-  
dict of the jury was that death was  
due to some unknown cause.

**"MICA AXLE
